CORPORATE HOSPITALITY

2026

Welcome

Pennsport Shooting specialises in delivering bespoke shooting experiences, welcoming guests of all abilities. With over 40 years of expertise, our family-run team combines expert knowledge with a genuine passion for hospitality, ensuring every event is professionally executed and personally memorable. Our clay ground is conveniently located just 5 minutes from J13 of the M4 and around 1 hour from London.

Our approach is centred on creating distinctive, tailored experiences. Every occasion is thoughtfully designed to reflect each client's individual needs.
We understand that no two groups are the same, and we take pride in crafting days that feel distinctive.

Whether hosting an intimate gathering or a larger corporate event, we create a relaxed yet refined atmosphere – allowing guests to feel comfortable and valued from arrival through to departure.

Corporate Hospitality

An overview

At Pennsport Shooting, we understand that corporate entertaining is about far more than the sport itself. It is about strengthening relationships, rewarding loyalty, opening new conversations and creating shared experiences that leave a lasting impression.

Our corporate days are entirely bespoke; we work closely with each client to understand their objectives, guests and desired outcomes. Every detail is handled with precision, allowing hosts to focus entirely on their guests.
